

HRI LONDON 2023

CUTTING EDGE RESEARCH IN HOMEOPATHY

5th HRI International

Homeopathy Research

Conference 16-18 June 2023

ATTENDEE GUIDE

Welcome to the 5th International Homeopathy Research Conference, hosted by the Homeopathy Research Institute (HRI). Following the success of our previous conferences in Barcelona, Rome, Malta and London, we are delighted to be returning to the venue of our last conference – The Tower Hotel in central London.

Conference Overview

As the emphasis being placed on evidence informed practice continues to grow, research plays an ever more crucial role in the evolution of all medical modalities. Homeopathy is no exception to this trend, with new findings from scientific research continually informing clinical practice, as well as providing a growing evidence base for decision-makers.

HRI's 5th International Conference is your chance to explore both the exciting developments and unique challenges of homeopathy research. The HRI team is delighted to host this dynamic event, bringing together the best researchers in the field from around the world, to present and enjoy a programme dedicated solely to high-quality scientific research..

Conference Objectives

Our ongoing theme – Cutting Edge Research in Homeopathy – demonstrates our commitment to showcase the very best new work from around the world, regardless of subfield or topic. This approach allows us to create a diverse programme, including topics such as:

- Clinical research (quantitative, qualitative and mixed methods)
- Disease prevention
- Fundamental research
- Laboratory-based research
- Pathogenetic trials
- Veterinary research

HRI conferences, traditionally held every two years, are the highlight of the homeopathy research calendar, providing a unique forum for the sharing of ideas and the creation of international scientific collaborations.

Programme Highlights

We are delighted to announce our Keynote Speakers for HRI London 2023, all of whom are inspirational leaders in their respective fields with a wealth of experience to share:

Prof Ubiratan Adler
Clinical Associate Professor
Federal University of São Carlos, Brazil

Prof Jennifer Jacobs
Clinical Assistant Professor in Epidemiology
University of Washington, USA

Dr Jesús Antonio López-Carvallo
Postdoctoral research fellow
Centro de Investigaciones Biológicas del Noroeste, Mexico

Dr Stephan Baumgartner
Senior Researcher
Institut für Komplementäre und Integrative Medizin, University of Bern, Switzerland

Submission of Abstracts

We welcome abstracts from researchers, graduate students, research trainees, homeopathy practitioners and educators.

Submission guidelines available at
www.HRILondon2023.org

Deadline: **12 December 2022**

Social Programme

Alongside the scientific programme, we are delighted to provide our guests with a series of social events to make the Conference even more enjoyable and provide plenty of opportunities for you to mingle and network with attendees from around the world.

Places on these social events are strictly limited and must be reserved in advance.

Welcome Drinks Reception – Thursday 15 Jun, 18.30-20.00

Conference attendees are invited to this complimentary event on ‘The Lawn’ – the front terrace of the Tower Hotel, overlooking the river. Take in the stunning views of Tower Bridge as you enjoy early evening drinks with your fellow attendees.

Dress code: Informal

English Traditional Pub – Friday 16 Jun, 19.30

Following the intensive academic programme on Friday, take a short stroll through St Katharine’s Dock to our 18th Century English pub venue – The Dickens Inn. Enjoy a three-course dinner and drinks in relaxed surroundings and take the opportunity to mingle with colleagues, both familiar and new.

Dress Code: Informal

Gala Dinner – Saturday 17 Jun, 19.30-00.00

The Gala Dinner is the social highlight of the Conference weekend. The evening will begin with a sparkling wine reception, followed by a formal three-course dinner and drinks at an elegant historic venue in central London. This will be followed by a live band and dancing until midnight. Return transport is available from the Tower Hotel for a small additional fee (see booking form). Alternatively the venue is 9 minutes’ walk from City Thameslink station or a 16 minute walk from Charing Cross tube station.

Dress code: Black tie or cocktail dress

Sponsorship and Exhibiting

HRI welcomes sponsors and exhibitors to this event. Information on a range of opportunities can be found in our Sponsor & Exhibitor Guide available on request.

To discuss opportunities further please contact:
Amy Hurlstone
Email: events@hri-research.org

Terms of Booking

The Conference Fee includes registration for the conference, conference materials, lunch and refreshments. It does not include travel or accommodation. Cancellations received three full months before the start of the event will be refunded. No refunds can be processed after this date. Places can be substituted with the prior knowledge and agreement of HRI. Priority will be given to those making an oral or poster presentation. It may be necessary for reasons beyond the control of the organisers to alter the content and timing of the programme or the identity of the speakers. HRI takes no responsibility for non-refundable travel/ accommodation in the case of a changed programme or cancelled event.

COVID GUARANTEE: If the Coronavirus situation continues or worsens in 2023 and measures come into place in the UK which mean the event cannot take place due to COVID, the event will be postponed, and your ticket will be transferred to the next HRI Conference at no extra cost. If your travel is restricted to London due to COVID restrictions in the UK or in your country of origin, you may request for your ticket to be refunded. If however the event is able to go ahead and guests are able to travel to the UK, our normal terms and conditions and cancellation charges apply.
