

5th HRI International Homeopathy Research Conference
Cutting Edge Research in Homeopathy
London, 16-18 June 2023

Poster Programme

Plenary Session - Leonardo Royal Hotel Tower Bridge - Warwick

FRIDAY 16 JUNE 2023

POSTER TALKS 16:20 – 17:00

A series of brief talks (7 mins talk plus 2 mins for questions) highlighting a varied selection of posters from the evening viewing session to follow.

- 16:20 – 16:30** **Dr Deepti Singh**, India. Evaluation of adjunctive homeopathy treatment in COVID-19 hospitalised patients in Gujarat state during the first wave of COVID-19: a multicentric single-arm retrospective data analysis study
- 16:30 – 16:40** **Christoph Dombrowsky**, Switzerland. *Theories and models on the mode of action of homeopathic remedies – a scoping review*
- 16:40 – 16:50** **Dr Philippa Fibert**, UK. *A service evaluation of homeopathic treatment for those with long-COVID: the long-COVID POD (patient's own data) project*
- 16:50 – 17:00** **Dr Yvonne Fok**, Hong Kong. *Homeopathic treatment of COVID-19 patients: findings of the Clifical international clinical case registry*

**17:00 – 19:00 Poster Drinks Reception**

Leonardo Royal Hotel Tower Bridge - Harpley + Bartholomew

Enjoy light refreshments and a glass of wine while you explore the posters. Authors will attend their posters for one hour, beginning at either 17.00 or 18.00, allowing them time to share their work with you as well as visiting their colleagues' posters. The printed programme available at the Conference will provide these times for each poster.

Nilima Bangar, India. *Therapeutic efficiency of Syzygium jambolanum homeopathic dilutions in alleviating glycation-mediated diabetic nephropathy through Nrf2 signaling: mechanistic insights from in vitro and in vivo studies*

Prof Leoni Bonamin, Brazil. *Solvatochromic dyes as a tool for tracking homeopathic complex activity in water reservoirs of a spring park in Brazil*

Dr Anupriya Chaudhary, India. *Efficacy of individualized homeopathy as an adjunct to standard of care of COVID-19: A randomized, single-blind, placebo-controlled study*

Elena Dalrio, Switzerland. *Treatment of acute cough with the homeopathic medicine "Similasan Cough Suppressant Syrup"*

Christoph Dombrowsky, Switzerland. *Theories and models on the mode of action of homeopathic remedies – a scoping review*

Claudia Scherr, UK. *A whole plant-based bioassay with rice seedlings to test effects of homeopathic preparations*

Dr Johannes Fahrentrapp, Switzerland. *Patterns from dried droplets as a tool to study combinations of plant and inorganic homeopathic preparations in low dilution range*

Dr Philippa Fibert, UK. *A service evaluation of homeopathic treatment for those with long-COVID: the long-COVID POD (Patient's Own Data) Project*

Dr Yvonne Fok, Hong Kong. *Homeopathic treatment of COVID-19 patients: Findings of the Clifical international clinical case registry*

Dr Katharina Gaertner, Germany. *Bibliography of Homeopathic Intervention Studies (HOMIS) in human diseases*

Sunny Goddard, Australia. *Homeopathic treatment of urinary tract infection (UTI) of women in Australia: a retrospective case series analysis*

Hildegard Klingberg, Germany. *"Regaining Emotional Awareness and Finding Back to Inner Structure!" Phenomenology of homeopathy in depression: a clinical study in mixed-methods design*

Renate Kuenne, Germany. *Can Hahnemann's conceptualization of mode of action of homeopathic remedies be part of today's scientific discussion?*

Dr Manoj Kuriakose, India. *Homeopathic combination remedy in the treatment of hypothyroidism*

Dr Mariya Lilova, France. *Evaluation of the role of homeopathy in an integrative care day hospital for oncology outpatients in Strasbourg (France). A qualitative study*

Dr Russell Malcolm, UK. *Outcomes from homeopathic treatment of male and female hormone deprivation syndromes in an integrated NHS Setting - an observational study*

Dr Andrea Corinna Mayer, Switzerland. *Proving of Natrium arsenicosum. Acute and long covid cases revealed more clinically confirmed symptoms*

Dr Debadatta Nayak, India. *Effectiveness of Arsenicum album 30C in prevention of COVID-19 in individuals residing in containment zones of Delhi—a prospective, community-based, parallel cohort study*

Dr Dora Pachova, Bulgaria. *A Bulgarian study on patients' and doctors' satisfaction with the homeopathic method of treatment*

Dr Vinita Pandey, UK. *Post-COVID-19 fatigue & anxiety: can homeopathy help?*

Dr Hima Bindu Ponnamp, India. *A retrospective study to assess the clinical efficacy of individualized homeopathic medicine in the management of post-traumatic stress disorder*

Dr Bindu John Pulparampil, India. *Cytotoxic and apoptotic effect of homeopathic medicine Conium maculatum in mother tincture and 1M potency in breast cancer cell line - MDA MB 231*

Prof Elio Giovanni Rossi, Italy. *Multicentric randomized study on the cognitive effects of anticancer therapy in breast cancer patients treated with rehabilitation, diet and add-on homeopathy and acupuncture: preliminary findings*

Dr Celeste Salter, Australia. *Determining the quantity and focus of homeopathy research activity in Australia: A systematic literature review*

Dr Ana Paula dos Santos Matos, Brazil. *Stability study of Arsenicum album homeopathic potencies storage in glass and PET primary containers*

Dr Irene Dorothee Schlingensiepen. Germany. *Evaluating clinical evidence in daily medical practice. Systematic real-life-evaluations of patient's long-term outcome can optimise the therapeutic results for patients and trigger effective research.*

Dr Deepti Singh, India. *Evaluation of adjunctive homeopathy treatment in COVID-19 hospitalised patients in Gujarat state during the first wave of COVID-19: a multicentric single-arm retrospective data analysis study*

Dr Sandra Tribolo, France. *Anti-oxidative effects of Arnica montana, Arsenicum album, Lachesis mutus and Oscillococtinum homeopathic dilutions in microglial cells in vitro*

Annekathrin Ücker, Germany. *Replication series of an arsenic-stressed Lemna gibba L. test-system investigating homeopathic preparations in high potency levels*

Dr Esther van der Werf, UK. *Homeopathy and fever management: a scoping review*

Dr Ana Catarina Viana Valle, Brazil. *Adenocarcinoma cells death after in vitro contact with homeopathic Viscum album D30*

Dr Ana Catarina Viana Valle, Brazil. *Citotoxicity of homeopathic Viscum album (200CH) in breast cancer cells*

Dr Gyandas Gurmukhdas Wadhwani, India. *An observational study of patients treated with homeopathic nosode Typhoidinum*

Johanna Zeise, Switzerland. *Screening of specific effects of different salt and heavy metal solutions on cress seedlings assessed by CuCl₂-biocrystallization to develop stress models for homeopathic basic research*
